

Recent improvements to the **Child Tax Credit** mean that YOU could receive up to \$250 per month per child between the ages of 6 & 17 and up to \$300 per month per child under the age of 6.

Most families who filed a tax return will receive their payments automatically. Be sure to file a 2020 tax return (if you haven't already) or use the IRS NonFiler Sign-Up Tool to receive the advance monthly payments in the coming months.
